

Dockets Management Branch (HFA-305)
Docket No. 98N-1265 JUN 9 1999
Food and Drug Administration
5600 Fishers Lane
Rockville, MD. 20857

I OPPOSE THE DRAFT M.O.U. being proposed by the FDA. In particular, I OBJECT to the definition of "inordinate amount" which restricts the availability and the right to obtain medically necessary compounded medications by limiting the number of prescriptions that can be shipped across state lines from specialized compounding pharmacies.

COMMENTS: I need these hormones which are
more protective of my breasts than most
traditional hormones. I don't want them
taken away from me.

98N-1265
